

Bishop Greco Council 9499It is with great pleasure that I tell you about some major awards that were presented by State Deputy Colin Jorsch at the recent 2016 North Carolina K of C State Convention. The names and accomplishments of our Council Brothers were submitted in competition with those from all other state councils.

Fr. Steve Hoyt, our Council Chaplain and Parochial Vicar at Holy Family was named "Priest of the Year".

The "Golden Knight of the Year" award went to our own Michael Brown, Financial Secretary of our Council.

In the first year of this award, the State "Fathers for Good" award went to Justin La Framboise, our Council Church Director.

Also, our own District Deputy and Convention Chairman, Jean Dion, was named the "Knight of the Year".

Please congratulate these Brothers when you have the opportunity on their well-deserved recognition.
