Parish Pastoral Council

Prior to Vatican Council II, authority, power and leadership in the Catholic Church had been vested principally in the clergy, with little or no power in the hands of the laity. The Council sought to rectify this injustice through the implementation of a conciliar process, which later became known as the Parish Pastoral Council.

The Guidelines of the Diocese of Charlotte, state that "The Parish Pastoral Council is an institution that brings together lay people, religious, and the ordained, who, together with their pastors, work jointly to build the parish as a living Christian community." The Parish Pastoral Council is a consultative body, which unites laity and clergy in a community of prayer, leadership, service and pastoral planning. The Parish Pastoral Council at Holy Family is presided over by our Pastor Father Michael; the Parochial Vicar assists him. The secretary is appointed from the parish at large. Its nine appointed members "possess a consultative vote only" and the Council "is governed by norms determined by the diocesan bishop."

Each member serves a term of three years, staggered, so that only three of its nine members are appointed each year. Once each year, usually in April, parishioners may nominate people, including themselves, from among the laity for pastoral council consideration. Nominations are presented to the nominating committee comprised of three members of the Council who are appointed by the chairperson, at the March council meeting. The pastor, along with the nominating committee, selects three nominees to serve on the Council for the next three-year period.

The basic leadership role of the Council, along with the pastor, is to provide direction to the parish. This is accomplished through the pastoral planning process, which forms the basis of a written document entitled, "Parish Profile", provided to the diocese about every three years.

The Parish Profile has a prescribed form and provides a three to five year vision for the parish. It encompasses a parish mission statement, goals and objectives for itself and those parish commissions charged with responsibility for carrying out the plans of the parish envisioned by the Council.

The commissions that have been established at Holy Family to assist the Council in developing pastoral plans and policies include Liturgy, Education, Community Life, Family Life, Evangelization/Ecumenism, Administration and Communication. Each commission has its own chairperson, mission statement, and goals and objectives, in addition to its general responsibility for implementing the plans of the Council. Meetings of the Parish Pastoral Council are held on the third Tuesday of every month at 7:00 p.m., excluding July & December. Meetings are open to all members of the parish; all are welcome to attend. Issues of importance to parishioners may be addressed by contacting any member of the Council for consideration at subsequent meetings.

Parish Commissions

"Worthy of special respect and praise in the Church are the laity, single or married, who, in a definitive way or for a period, put their person and their professional competence at the service of institutions and their activities." *{Decree on the Apostolate of Lay People, Chapter IV, #22.}*

Parish Finance Council

The Parish Finance Council is a consultative body of lay persons established to advise the Pastor in matters pertaining to the financial affairs of the parish. The relationship between the Pastor and the council is one of support and collaboration. The authority of the Pastor is not diminished by the establishment of the Parish Finance Council.

It has been the consistent policy of the Diocese of Charlotte that a Parish Pastoral Council be established in each parish. While the two councils are separate and each has a different and specific role in the life and operation of the parish, they work together for the good of the parish. The chairperson of the Parish Finance Council is an ex-officio member of the Parish Pastoral Council and provides them with periodic reports on the financial status of the parish and its activities.

The Parish Finance Council is composed of the Pastor, as an ex-officio member, and not less than three reputable and practicing members of the parish knowledgeable and skilled in financial matters. Membership is by appointment of the Pastor. Members serve for a three-year term and may be appointed to a second three-year term. The Chairperson is appointed for a term of one year and may be reappointed.

The Business and Office Managers are not members of the Parish Finance Council, however they may attend meetings at the request of the Chairperson to assist the council in its deliberations.

Principal responsibilities of the Council include:

- Preparation of an annual budget
- Periodic review of the Diocesan bookkeeping and accounting system
- Ensuring the submission of the Semi and Annual Financial Report to the Diocese
- Preparation and publication of an Annual Financial Statement and Report provided to the Parish Pastoral Council and members of the Parish community.

The Council meets at least four times a year.

Students attending a Catholic Elementary school are excused from attending Faith Formation classes except during Sacramental preparation or on special class dates for which a calendar is issued.

High School

Youth Ministry for high school students is held on Sunday evenings from 6:00 to 7:30 PM in the Church. Youth will learn what the church stands for and its beliefs. High School students may also meet for fun and fellowship on Wednesday evenings from 7:00 until 8:30 PM in the Youth Building. Each week has a different focus and a calendar of events. All events are supervised and no religious education fee is required for this drop-in time. Also parental chaperons and drivers may be needed on occasion.

Call the Office of Faith Formation if you would like to enroll your child in this program.

Parish Subsidy Support Program For Area Catholic Schools

Holy Family pays an annual Bishop McGuinness High School parish subsidy assessment to the Diocese of Charlotte based on its offertory to cover the cost of educating its students. Each family is provided with a Pastor Recommendation form to complete. The parish also pays a subsidy to the respective elementary school, either St. Leo's or Our Lady Of Mercy, for each of its attending students. The elementary schools provide the family with a Parish Participation Voucher to be submitted to the church office for processing. The voucher is returned to the respective school, stating that the family is active and participating in the Parish, thus qualifying students for the Catholic tuition rate.

Rite of Christian Initiation of Adults {RCIA}

The Rite of Christian Initiation of Adults or RCIA, is a weekly inquiry program for people interested in learning more about the Catholic Faith. Those who wish to continue beyond inquiry program and become Roman Catholic, form a small community who make the faith journey together and normally receive the Sacraments of Initiation at the Easter Vigil Mass.

Parish Subsidy Support Program

For Area Catholic Schools

Holy Family parish has a deeply rooted tradition of commitment to Catholic School Education. For the benefit of our parishioner's children, Holy Family participates in the Parish Subsidy Support Program covering attendance at any of our three local area Catholic schools, Bishop McGuinness High School, or St. Leo's, and Our Lady of Mercy grammar schools.

This program enables the children of Holy Family parishioners to attend these schools at a *reduced tuition rate*. Parents enrolling their children in an area Catholic school under this program need to meet the criteria set forth in the diocesan policy regarding "Participating Parishioner" to be eligible for the reduced Catholic school tuition rate. This policy is set forth on the following page.

Please pay particular attention to the stewardship aspect of this policy with respect "*to the family's commitment of time and talent to the parish.*" And also note, "Personal involvement in the parish is a responsibility and expectation of every parishioner who is able to do so, *especially those parishioners who are parents of children attending Catholic Schools.*"

Holy family's combined annual assessment to participate in this program for the three schools is in excess of \$90,000 or about 11% of our Offertory for the average school year. As the parents of children enrolled in Catholic schools, we urge you to be generous in your offertory contributions in support of this program that provides a sound Catholic education for your children.

If you meet the criteria described in the diocesan policy, the Pastor will sign and forward the Parish Participation Voucher you submit, to the school indicated, which certifies that your child or children may enroll for the next school year. You will need to advise the Pastor in writing, if there will be a change in your ability to meet the diocesan eligibility requirements.

THE ROMAN CATHOLIC

DIOCESE OF CHARLOTTE

POLICY: DEFINITION OF “PARTICIPATING PARISHIONER” FOR ELIGIBILITY FOR REDUCED CATHOLIC SCHOOL TUITION

Catholic schools in the diocese of Charlotte may charge a higher rate of tuition for non-participating Catholics and non-Catholics than they do for participating Catholics. The student’s pastor/pastoral administrator determines eligibility for the “participating” Catholic rate. In determining eligibility, the student and/or the student’s family must:

- Be baptized as a Catholic,
- Be registered in the parish, and
- Attend Mass regularly.

Additionally; consideration may also be given to the family’s commitment of time and talent to the parish. Personal involvement in the parish is a responsibility and expectation of every parishioner who is able to do so, especially those parishioners who are parents of children attending Catholic schools. If individual parishes require that the parents of children attending Catholic schools participate in parish activities in addition to regular attendance at Mass. these expectations are to be clearly communicated by the pastor/pastoral administrator to the parents.

However, the amount of financial support provided the parish is not to be considered in determining eligibility for the participating Catholic rate. There are significant tax implications when the level of parishioner contributions is linked to tuition reductions/benefits. As such, it is the policy of the Diocese of Charlotte that the amount of financial support provided the parish not be a factor in determining eligibility for the ‘participating’ Catholic rate.

Stewardship

There are many opportunities available to members of Holy Family Catholic Church to participate in our ongoing stewardship program. On the last page of this guide you will find a Stewardship form to assist you in selecting programs and activities in which you may wish to give of your "Time and Talent". The work of our parish commissions and service organizations has been described in the preceding pages. The volunteer opportunities available within these commissions and organizations has been summarized on the Stewardship form.

After you have had an opportunity to review these programs and activities, please complete the Stewardship form indicating the programs in which you would like to participate. Be sure to include your name, address and telephone number in the block provided. Return the completed Stewardship form to the parish office or place it in the regular offertory collection basket at your convenience. The chairperson of the commission or organization you have volunteered to help will contact you if your time or talents are required.

Holy Family parish is very fortunate to have a great number of programs and activities which enhance the spiritual and temporal well being of our parish and our community. We ask you to consider giving a portion of your "Time, Talent and Treasure" to your church and community.

The Stewardship of Treasure invites us to see our financial resources as gifts from God and asks us to make a response based on our being grateful. The more we are aware of being blessed, the more we want to express our gratitude. This is the heart of stewardship!

Stewardship:

- Recognizes everything we have as a gift from God
- Calls forth praise and gratitude
- Has us desiring to make a grateful response
- Invites us to contribute a percentage of our income to Offertory
- Has us following through on our commitment

Please give prayerful consideration to increasing the percentage and/or amount of your financial support of our Holy Family using the weekly Offertory envelopes to help keep us focused on Stewardship.

History of Holy Family Catholic Church

Clemmons Mission-1976

The significant growth of Saint Leo's parish over the years led to the need for the Diocese of Charlotte on October 7, 1976 to purchase ten acres of land to build a new church in Clemmons. At the same time, a home on the corner of Knob Hill Avenue and Peace Haven Road was purchased as a rectory and also served as a chapel for weekday Mass, office and meeting space, and Religious Education classes.

Father James Solari assigned to Saint Leo's at the time served as resident priest of what was known then as the Clemmons Mission during the years 1977 and 1978. Father Hoover arrived to replace Father Solari at what was becoming better known as Saint Leo's West from 1978 to 1979.

In March of 1977 a parish celebration was held upon completion of the Rectory basement renovations. This space was named Saint Joseph Hall because his feast day is March 19 and the two key men who coordinated the work both were named Joseph, Joseph Kwolkoski and Joseph Dovi. The four classrooms were named Holy Family, Holy Cross, Holy Scripture and Holy Spirit.

The first Mass was celebrated on July 15, 1978 in the Clemmons Presbyterian Church on Highway 158 and celebrated by Monsignor Richard Allen, then pastor of Saint Leo's. While they had generously offered their hospitality, after two weekends of Masses, we were overflowing their facility.

For the next five years, the Saturday evening Mass and Religious Education classes were held at the Clemmons Moravian Church on Spangenberg Drive and Sunday morning Masses and nursery were held at the Clemmons Vogler Funeral Home Chapel.

The first formal organization, the Elizabeth Ann Seton Guild was formed in November of 1978 and provided the most significant strength in the faith community for the formation of an independent parish. The guild handled all of the parish necessities including spiritual needs, social functions and even housekeeping. Most of these functions are currently handled under a variety of parish commissions.

Paulist Father Robert Scott was installed as the first Pastor of Holy Family as a church on August 15, 1980 with Saint Francis in Mocksville named as our Mission. Bishop Michael Begley canonically established the parish under the patronage of the HOLY FAMILY.

The name was one of the choices proposed by the parishioners and was chosen based on the "Year of the Family". In that same year the first building committee was created with 170 registered families. Pastors succeeding Father Robert Scott included Father Tom Clements, Father Cecil Tice, Father Tom Walsh, Father Frank J. O'Rourke, and our current pastor Father Michael Buttner.

Commissions-1981

The original six commissions recommended by Diocesan guidelines were organized and chairmen appointed subsequent to our Parish Council and Board of Education elections in March of 1981.

In the next month plans were under way to build a 9,200 square foot structure comprised of worship area, reconciliation room, two offices, nursery, kitchen and a concourse for social events, classes and overflow of the worship area. The following year parish registration had grown to 329 families.

Breaking Ground-1984

Bishop Michael Begley conducted a groundbreaking ceremony for the new church building on March 4, 1984. New furniture arrived in December of 1984 and the first Mass was celebrated in the new building. Parish registration has now grown to 550 registered families.

Dedications-1985

Bishop John F. Donoghue dedicated the new Holy Family parish church building on March 10, 1985 his first dedication as Bishop of Charlotte.

With parish registration then at 618 registered families and the congregation still growing, ground was broken to provide an additional 14,200 square feet of building space.

The addition of the Family Center added a social hall with a capacity seating of 350 people for meals and converts into eight classrooms. The new wing included a large permanent kitchen, larger nursery, additional offices, storage space and restrooms with showers.

Our building won the North Carolina 1987 Architectural Brick Design Award of Merit and on December 27, 1987 Bishop John F. Donoghue dedicated the new Family Center.

Picnic Shelter-1990

Over the years our parishioners have been most generous in donating funds which enabled us to build a beautiful picnic shelter which is sitting on an additional four acres of land donated by the Amp Corporation including the trees and shrubs that beautify our grounds. As of 1990 we had 765 registered families.

Capital Campaign-1995

During 1995 with a registration of 1,100 families, a capital campaign was begun to pay off the remainder of the mortgage, enlarge the parking lot, repair the roof and contribute to the purchase of playground equipment. All of this was accomplished along with the help of funds provided by the Children's Clothing Sales.

Holy Family Sculpture-2001

Holy Family Parish commissioned Sister Mary Southard, CSJ to create a sculpture of the Holy Family. The bigger than life sculpture was placed in the center of the circle in front of the church.

New Youth Center-2002

Our new Youth Center was constructed in 2002 to provide space for a variety of youth oriented educational and organization functions. Sunday evening classes are conducted here for the Youth Ministry program and Wednesday evenings are a drop-in night for our parish youth. The center is also used by the Squires, and the Squirettes. Programs such as these help us to meet the spiritual and educational needs of the middle and high school youth of the parish.

Capital Campaign-2002

Holy Family Catholic Church is home to over 1,500 registered families. Over-crowded Masses, lack of classroom space for our Faith Formation Programs and cramped office space inspired us to lay out a plan to accommodate our continuing growth.

In September of 2002, we initiated a Capital Campaign in an effort to raise \$3.2 million dollars to build a new sanctuary which will seat at least 1,200 parishioners and open up much needed space for our growing Faith Formation programs. Response to our campaign was most favorable.

Breaking Ground - 2004

On June 5th we began a new chapter in the history of Holy Family parish at a Groundbreaking ceremony for our new sanctuary. The new facility is designed to support the growth of our parish and ensure that we have adequate space for our worship and ministerial needs for many years to come. This day became a reality because of the hard work and generosity of Holy Family parishioners.

Dedication Mass - 2005

On Sunday, November 27, 2005, The Most Reverend Peter Joseph Jugis, J.C.D., Bishop of Charlotte was the principal celebrant and homilist at the Dedication Mass of the new Holy Family Catholic Church. The Presider was The Most Reverend William G. Curlin, D.D., Bishop Emeritus. Concelebrants were The Very Reverend Michael J. Buttner, Pastor and The Reverend Brian J. Cook, Parochial Vicar. The existing church was renamed the Bishop William G. Curlin Faith Formation Center and will be used to provide additional classroom space for the Faith Formation Program. The new 23,000 square foot church provides seating for over 1,200 parishioners.
